

On May 16, 2015, Paw Works will be holding its 1st Annual Golf Classic - A Tournamutt at North Ranch Country Club in Westlake Village.

Our fundraising goals for this golf tournamutt are ambitious to say the least. We know that our community and its business leaders can really pack a punch when they are asked to step up to the plate. Paw Works through hard work and dedication achieved its goal to make Ventura County No Kill within a short period of time. Now, we are on the precipice of a new, yet more exciting phase of our expansion.

In addition to our ambitious goals we have created a fun and unique event that our players will be talking about for months to come. On the day of the event players will get to enjoy the following:
